

PRESS RELEASE OF 14 DECEMBER 2012
FROM PERROT DUVAL HOLDING S.A.

Perrot Duval hit by the economic downturn

Six months into the 2012/13 financial year (as at 31 October 2012), the Perrot Duval Group (Perrot Duval Holding S.A.), a specialist provider of automation solutions, has maintained the near break-even result (loss of 0.1 million CHF) that it achieved a year earlier (– 0.4 million CHF), despite sales at its Infranor and Füll Process companies falling to 23.1 million CHF (24.7 million CHF as at 31 October 2011). Taking into account the measures put into effect by the various management bodies of the operating companies and assuming that the economic climate will not further deteriorate, the Group aims to attain sales close to 50 million CHF and make a profit of 0.2 million CHF as at 30 April 2013 (51 million CHF and 0.8 million CHF respectively as at 30 April 2012).

Perrot Duval will publish its Half-Year Report and its detailed interim results on 18 December 2012.
