

PRESS RELEASE OF 12 DECEMBER 2011
BY PERROT DUVAL HOLDING S.A.

Perrot Duval adjusts its forecasts downwards

After the first six months of its 2011/12 financial year (ending on 31 October), the Perrot Duval Group (Perrot Duval Holding S.A.), an automation specialist, has seen sales (24.7 million CHF) stabilise at a similar level to last year (24.4 million CHF). Orders received, however, dropped by 16.1 per cent from 28.8 million CHF in the previous year to 24.2 million CHF, and the Group closed the first half of the year with a slight loss (-0.5 million CHF). In view of the current lack of certainty regarding future developments, Perrot Duval is expecting to post sales of 52 million CHF for the full year, and to generate a net profit after taxes of some 1 million CHF (30 April 2011: 1.7 million CHF).

Perrot Duval will be publishing its half-year report and detailed results on 20 December 2011.
